Introduktion

Thomas Kræmer har mere end 15 års erfaring som juridisk rådgiver inden for virksomhedsoverdragelser. Gennem årene har han gennemført mere end 100 transaktioner, der omfatter alt fra mindre virksomheder til store blue chip selskaber inden for de fleste brancher.

Thomas har endvidere stor erfaring med håndtering af transaktioner på tværs af landegrænser og selskaber med aktiviteter i mange lande.

Thomas rådgiver såvel danske som internationale selskaber, kapitalfonde og investorer ved køb og salg af virksomheder, men bistår også med løbende håndtering af problemstillinger i den daglige drift.

Endelig har Thomas særlig erfaring med at rådgive sælgere med at strømline og positionere deres virksomhed frem mod et vellykket salg til den rigtige køber. Det er ikke mindst det værdiskabende fokus i rådgivningen, som Thomas' klienter sætter pris på.
